ORDER FOR AREAS, ROADS, AND TRAILS

Pursuant to 36 CFR 261.50 (a) and (b), the prohibitions, restrictions, or uses of vehicles in areas or on roads or trails or segments thereof are as shown on the Manti-La Sal National Forest Travel Map. Prohibitions or restrictions as noted on the travel map apply to National Forest lands and Forest development roads for the periods specified until further notice.

- Under authority of 36 CFR 261.50 (a) and (b), it is prohibited to:
1. Use any type of vehicle on a road when prohibited or restricted as shown on the Travel Map. (36 CFR 261.54)
 2. Use any type of vehicle on a trail when prohibited or restricted as shown on the Travel Map. (36 CFR 261.55)
 3. Use or possess a vehicle off forest development roads when prohibited or restricted as shown on the Travel Map. (36 CFR 261.56)
 4. Use or possess a vehicle in a National Forest Wilderness Area. (36 CFR 261.57)

Pursuant to 36 CFR 261.50(e), the following persons are exempt from this order:

1. Persons with a permit or contract authorizing the otherwise prohibited act.
2. Any Federal, State, or local officer, or member of an organized rescue or firefighting force in the performance of an official duty.

Violations of this prohibition is punishable by a fine of not more than \$500 or imprisonment of not more than 6 months or both (16 USC 551).

HOW TO TREAD LIGHTLY

- Obtain a Travel Map from the Forest Service, or regulations from other public land agencies. Learn the rules and follow them.
- Avoid running over young trees, shrubs, and grasses—damaging or killing them.
- Stay off soft, wet roads and trails readily torn up by vehicles (particularly during hunting seasons). Repairing the damage is expensive.
- Travel around meadows, steep hillsides, or streambanks and lawnsides easily scarred by churning wheels.
- Resist the urge to pioneer a new road or trail, or to cut across a switchback.
- Stay away from wild animals that are rearing young—or suffering from food shortage. Stress can sap scarce energy reserves.
- Obey gate closures and regulatory signs. Vandalism costs tax dollars.
- Stay out of Wildernesses. They're closed to all vehicles. Know where the boundaries are.
- Get permission to travel across private land. Respect landowner rights.

Future opportunities for exciting travel with your recreation vehicle are in your hands. So—TREAD LIGHTLY!
